

While being one of the longest-lived animals on the planet, the Aldabra Tortoise was once figured as a prestigious gift because of their size and longevity.

Characteristically slow and cautious, these incredible creatures are capable of reaching appreciable speeds, tend to outlive their human observers, and are known to leave a lasting impression.

The Blank Park Zoo Foundation's Aldabra Society is a group of visionary, forward-thinking supporters who have made estate-plan provisions to give a lasting gift to the Blank Park Zoo Foundation.

As a member of the Aldabra Society, you too, can leave a lasting impression that will outlive generations to come.
